Preventing, Assessing & Treating Trauma Across the Lifespan

15th Hawaii International Summit

April 16 - 19, 2018

Our mission is to improve the quality of life for individuals on local, national and international levels by sharing and disseminating vital information, improving collaborations and networking, conducting research and trainings, assisting with direct professional services, program evaluation, and consulting to promote violence-free living.

Aloha,

The Institute on Violence, Abuse and Trauma (IVAT), has the pleasure to invite you to participate in the upcoming 15th Hawaii International Summit on Preventing, Assessing & Treating Trauma Across the Lifespan. We are pleased to be moving this summit to the Hawaii Convention Center, Hawaii and look forward to your joining us, hopefully as an integral part of our efforts to surpass the successes of previous years.

We welcome participation and support from collaborators, sponsors, advertisers, exhibitors and vendors. The materials attached to this prospectus contain information about each of these various ways to participate. IVAT has enjoyed solid community and corporate support over the years and we are grateful for your consideration of the various opportunities available to support our continued work to end interpersonal violence. Your participation at any of the levels is crucial to increasing accessibility to quality care for victims and survivors of violence, abuse and trauma across the lifespan.

This year, we are again focusing on domestic violence, child abuse, adverse childhood experiences, children exposed to violence, at risk youth, criminal justice issues, sexual assault, unserved and underserved populations, elder abuse, human trafficking, treatment of victims and offenders, elder abuse, trauma-informed care, substance abuse, prevention efforts and more.

There are many mutually beneficial reasons to consider becoming an active supporter of the Summit:

- Increased exposure on an international level through placement of your organization's information on our website, social networking sites, in the program and promotions.
 - Identification with IVAT in the global efforts against violence, abuse and trauma.
 - Access local, regional, national and global resources in the promotion of peace movement.
- Networking at the upper levels of international collaboration of public and private organizations, individuals, policy makers and governments.

Please review the forms in this prospectus. We welcome you to fax or email completed documents to Angela Schwab, Outreach and Volunteer Specialist at (858) 527-1743 or angelas@ivatcenters.org. You may also send the originals US mail to IVAT, 10065 Old Grove Road, Suite 101, San Diego, CA 92131. On behalf of the Institute on Violence, Abuse and Trauma, a local non-profit public benefit organization, we are seeking supporters and donations for the 15th Hawai'i International Training Summit on Preventing, Assessing & Treating Trauma Across the Lifespan, April 16 - 19, 2018, at the Hawai'i Convention Center. The money raised from the Silent Auction and Drawing activities will go into a restricted fund used to support innovative programs, education and direct counseling services in Hawaii for the prevention of family violence and related issues. The statistics in Hawai'i are alarming. One out of every four women will be a victim of domestic violence and two in ten Big Island adults report that they were abused as children — the highest rate in the state.
